2. All cancellations must be submitted to ICPI-NCC in writing by August 1, 2017.
Substitutions will be permitted from the same company any time prior to August 22, 2017.
3. All participants who are found to be under the influence of drugs or alcohol during the Championship will be immediately dismissed from the competition.
4. The decision of the judges is final.
5. Failure to comply with the rules or conditions of the Championship by any team member will result in the team's disqualification.

CHAMPIONSHIP RULES

1. Registration is limited to the first 8 completed registrations.
 - Step 1. Obtain proof of their general liability and workers compensation insurance coverage for each team member.
 - Step 2. Complete the Team Registration Form and have each team member sign it.
 - Step 3. Submit the insurance documents and Team Registration Form by fax to (831) 464-4881 or scan and email to shiela@btfenterprises.com.
2. Each team must have two crew members and may choose to register one (1) crew alternate, each of whom must sign and date this Team Registration Form.
3. Teams must attend the pre-event meeting on Saturday, August 26, 2017 at 8:00am at SiteOne Landscape Supply Yard. Teams are required to be at their designated construction area not less than 15 minutes prior to the start of the round they are competing in. Failure to report at these times will constitute a withdrawal from the Championship.
4. At the pre-event meeting teams will be randomly placed in a preliminary round and assigned a construction area.
5. During each preliminary round, each team will be given sixty (60) minutes to complete their construction in the prescribed construction area, according to the provided design details of the 8 ft by 10 ft area.
6. During the final round, the top two teams from the preliminary rounds will be given ninety (90) minutes to complete their construction in the prescribed construction area, according to their own 8 ft by 10 ft design.
7. Each team will be provided with access to a vibratory plate compactor and an iQ360 14" masonry chop saw with integrated dust collection for each construction area.
8. Each team must bring their own personal safety equipment, screed rails, screed board, d-handled square shovel, wheelbarrow and other small hand tools they need such as measuring tapes, etc.
9. All materials to be used in the construction will be provided. Only materials provided by the event organizers and placed in the teams designated area may be used in the construction. Pre-cut or discarded materials cannot be used in the construction. Teams cannot supply their own materials.
10. During each round four teams will compete. The preliminaries will have eight teams competing in two rounds. The two teams with the highest scores from the preliminary round, will advance to the final Championship round. During the final round, the team with the highest score will be declared "Champion" and the team with the next lowest score will be declared "Runner Up".
11. The score during the semi-final rounds will be calculated for each team based on their construction's compliance to industry guidelines, safety, quality and craftsmanship plus a bonus for completing early. The score during the final round will be calculated similar to the semi-final round with additional bonus for creativity.
12. The "Champion" will be sponsored to represent and compete in the HNA 2017 Installer Championship (October 17-18, 2017) where they will compete for further prizes at the National Level, as well as receiving, an iQ table saw from the chapter and recognition in various chapter media including ICPI-NCC Newsletter and website. Sponsorship to HNA 2017 Installer Championship will include airfare, hotel and entry fee for the 3 team members.
13. . The "Runner Up" or second place team will receive an iQ handheld saw and the 3rd place team will receive iQ saw blades.
