

Concrete Paver Installer Course

About the Course

The two-day classroom-based course equips individuals currently employed in the segmental concrete pavement industry with training on proper installation of interlocking concrete pavement systems. Participants have the opportunity to pursue certification and industry recognition after completing a separate application form that includes installation experience.

The following topics are covered:

- Safety
- Job planning and documentation
- Job layout, planning and material flow
- Soil characteristics and compaction
- Base materials
- Edge restraints
- Bedding and joint sands
- Selection and installation of concrete pavers
- Maintenance and management
- Construction tips

Reasons for ICPI Training and Certification

- Meet industry guidelines-Learn how to meet or exceed industry established guidelines and best practices for paver installers.
- Reduce costs-What you learn will help you reduce or eliminate costly call backs.
- National promotion- ICPI promotes paver installers in its literature, website and videos.
- Supplier promotion-Many ICPI manufacturer members promote the program to the general public.
- Meet customer expectations-Today's consumers are more sophisticated and demanding. They expect trades people, including interlocking pavement installers, to meet certain criteria.
- Meet designer/specifier expectations-Design professionals specify installation by ICPI Certified Concrete Paver Installers.
- Benefit your bottom line-Professional instructors will show you how to increase your bottom line through greater installation efficiency.
- Dispute resolution-Adherence to ICPI guidelines means you have the weight of the industry on your side in the event of a dispute.
- Justify your price-Certification can be a powerful marketing tool. Demonstrate to your customers that you are installing interlocking concrete pavements consistent with industry developed guidelines, helping to support your pricing compared to those who are not certified.

Who Should Attend?

The ICPI Concrete Paver Installer Course has been designed for all individuals involved in the residential and commercial installation of interlocking concrete pavements, including:

- Company owners and principals
- Job superintendents
- Forepersons and supervisors
- Crew leaders
- Crew members (with minimum one year installation experience)

Why Apply for Certification?

The ICPI Concrete Paver Installer Course imparts the necessary knowledge and industry guidelines required to build pavements using concrete pavers. Going further by passing the certification exam and meeting the minimum installation experience requirements demonstrates that you meet the criteria established by the industry as a true "ICPI Certified Installer."

Visit www.icpi.org/certification to download an Application for Certification, which can be submitted to ICPI at any time. Certification renewal requires 8 hours of Continuing Education to be earned during each two-year certification term.

Disclaimer and Understanding

The Interlocking Concrete Pavement Institute ("ICPI") Concrete Paver Installer Programs are intended to communicate industry guidelines to paver installers on estimating, planning and executing residential and commercial projects and to educate individuals in applicable construction and general business practices. ICPI recognizes only that a Record of Completion awarded to a participant conveys that the participant has completed the required course of instruction and earned a passing grade on the examination administered by ICPI at the conclusion of the course. For a participant obtaining ICPI Concrete Paver Installer certification or designation status, ICPI recognizes only that the certificate holder has earned a Record of Completion and has also met the minimum amount of installation experience required by ICPI. ICPI exercises no control or direction over certified concrete paver installers and does not in any manner endorse, guarantee, or certify the performance or quality of services rendered or products used. **ICPI further disclaims any and all liability for injuries or damages to persons or property or for monetary damages arising out of or resulting from the failure of performance of services rendered or products used by an installer holding an ICPI certification or designation. ICPI does not disclose exam scores to anyone other than the individual taking the exam.**

COVID-19 protocols from the venue:

1. 50% capacity – we are in a room that typically fits 100 and we are capping it to 50.
2. The class room is indoors
3. Participants will be asked to wear masks when socializing, or in any common areas. My understanding is that they are allowed to take off their masks while seated at their table.
4. We will have food individually wrapped versus buffet style
5. The rooms are cleaned each day from door handles, light switches, tables & chairs
6. We will have hand sanitizer available at the door of the room, as well as I understand the facility has hand sanitizer stations in the common areas.
