

# Certified SRW Course NCMA Approved

**December 10, 2020 - 8:00am – 4:00pm**  
**AGC – 5400 Mill St. Reno, NV**

### Program Content

Learn how to build segmental retaining walls (SRW) that perform well over time. This program teaches hardscape contractors and installers essential concepts related to the design, construction and performance of SRWs, providing the knowledge you need to install quality walls that meet customer expectations and ensure your long-term success. Learn about SRW installation guidelines, materials, soils, compaction and water, planning, estimating, safety and equipment selection.

### Certification

The NCMA Certified SRW Installer (CSRWI) credential is also available to each candidate who completes the SRW Installer Course (or equivalent SRW-installation-related education), passes the written examination and submits SRW Installation experience. This credential is highly valued by consumers.

### COVID-19 Protocols

1. If you are feeling ill or running a fever, stay home and notify us – we will issue you a refund or credit for a future class.
2. We will be in an indoor classroom that typically fits 50 and we are capping attendance at 20.
3. Participants will be asked to wear masks when socializing, or in any common areas. You will be allowed to take off your masks while seated at your table.
4. We will have individually packaged food for breakfast and lunch
5. The rooms are cleaned each day from door handles, light switches, tables & chairs
6. We will have hand sanitizer available at the door of the room, as well as I understand the facility has hand sanitizer stations in the common areas.

**\*REGISTRATION IS BASED ON FIRST PAID FIRST PLACED – SPACE IS LIMITED TO 24 ATTENDEES.**
